## GETTY ENGINEERING SERVICES

We provide professional engineering & investigative services to the insurance and construction industries.

Getty Engineering Services was built on the tradition of providing rapid response, integrity, and cost effective services for our clients.

Our mission:

- Direct involvement of senior management in all projects and investigations
- Clear understanding of client requirements in order to provide accurate and focused answers
- Timely, cost-effective and quality reports
- Developing opinions and findings based on integrity and the Scientific Method

We look forward to assisting you with accurate and timely services in a cost-effective manner.

OUR COMMITMENT:

"WE EXCEED YOUR EXPECTATIONS, NOT YOUR BUDGET."

— PAUL GETTY
